"Live out of your imagination, not your history."

The foundation of your Network Marketing Success is going to be the dreams that you want to bring to life in your future.

Most people, even many of your friends, and family, do not dream like they used to, because we all have been programmed that "dreamers are not realists." I believe that God put us down here on earth to rise to the level of Success that we are supposed to. Dreams help us all do that and take us beyond our own limitations.

We encourage you to dream again. Why? Do you know what happens when you DREAM? There are 5 things that happen that most people are not aware of, and can help enlarge your business dramatically:

You "Dare (to) Reach Extraordinary Altitudes (& Milestones.)"

That is what you do when you dream- and what your Network Marketing company is about... helping people to:

DARE.

Dare to become someone. Dare to go beyond where your friends are.
Dare to prove everybody else wrong, who says that you cannot succeed!

REACH.

Stretch every part of your mind, heart, and soul, and reach for what you want in life, not what someone else wants to give you after they take their part.

EXTRAORDINARY.

Dare to reach for the Extraordinary Life! Walk in the Extraordinary! Think Extraordinary! Become Extraordinary!

ALTITUDES.

You MUST soar higher in life than you ever have with your dream! The higher the Altitude, the more Magnetic the Pull of your Dream!

MILESTONES.

Reach for Extraordinary, Life Changing Milestones! Most people do not ever plan on hitting Extraordinary Milestones in their life. And because of that, they end up getting Millstones of Mediocrity hung around the neck of their future, dragging frustration and doubt all through their life.

Dreaming also is the basis for the WHY! WHY are you doing MLM anyway?

"WHY" stands for "What Has You?" What Has Your Heart? What Has Your Constant Thoughts? What Has Your Focus?

Whatever has your heart, focus, passion, dreams, and desires, is your WHY.

It could be your children, your family, yourself, your church or faith, or even making a difference in other's lives, or all of the above. Your "WHY" is the driving force behind your business, and your dreams.

What Dream has your heart for your family and future?

***Dreaming is simply the Art of
Painting a VIVID Picture of
Success on the canvas in your
mind, and letting that become
the MASTERPIECE of Change in
your life.***

"If money were not an object... what would your life be like? Describe it!"
Think about this, and complete it. What would your PERFECT DAY be
like?

The 10 Things I would like my company to bring into my life that currently
doesn't exist: (New House, New Cars, Vacations, College Money, New
Wardrobe, Charity and Church Giving, Private Schools, Boats, Lake
Place, etc.).

WHY? The Reason I desire these things is simple:

***Turn what we call your
"DreamLight" on, and dust off
your dream machine, and crank
it up, and let that DreamLight
shine on your future once more.***

Your Dreams CAN and WILL come true in Network Marketing... but first the Light of Hope and Possibility must shine in your heart! And then you shine that light on your friends and family and get them dreaming with you!

Stop! Take a few minutes now and make those lists!

Let's talk about your Friends and family and their Dreams-or lack of.

What do your friends and family dream about? Or do they? How do they think? Odds are you are dreaming and thinking that way too. Most people dream and think like their peers and family. Nothing wrong with that... but is that serving you well? Or is it simply stifling your progress? As Dr. Phil says, "Is that working for ya?"

***Let me ask you this question
again... What has your lack of***

***dreaming and thinking up until
this point in your life cost you in
dollars?***

It's time to change that and create a Shift in your Dreams and Thinking that keeps your mind on track and focused!!! And THAT will help people feel a more positive you, and more magnetic you!

Be sure to DREAM in 2007, and dream HUGE! We serve an immeasurable, unimaginable God, so the sky's the limit when you dream!

***There are NO limits, and NO
boundaries to what you can
dream and accomplish in your
Network Marketing business- so
let's meet soon on the beaches
of the world!***
