Each month, TheNetworkMarketingMagazine.com will be bringing you a complimentary article from the newly updated edition of T. Harv Eker's bestselling book, "SpeedWealth" - How to Make a Million Dollars in Your Own Business in 3 Years or Less," which outlines 8 principles that will help you massively grow your business.

One of the biggest misconceptions in life is that “Practice makes perfect.” In fact, practice makes permanent.

**People are creatures of HABIT.
You will become very good at
whatever you practice on a daily
habit. That's why part of the
SpeedWealth strategy is to
practice whatever you want to be
in the future, now.**

If you want a life of inner peace, practice being peaceful now. If you want total confidence, practice being totally confident now. If someday, you want to be successful, practice being successful now.

Eventually, these traits become your habits, your natural way of being. You won't have to think about them, you will *be* them.

Many people say that they will be happy once they are rich. It's true that money is not everything, but money problems can take the luster out of life.

That's why I say "If you're going to work hard anyway, you might as well get rich... and the quicker the better." SpeedWealth is a proven system that worked for me and can work for you — if you work it. Get the knowledge, master the principles, study the strategies and in just a few years you will never have to worry about money again. You will be free!

In the meantime, practice. Life is short, and tomorrow may not come. Whatever you want to do, do it now – including practicing being happy!
