Do you want six simple keys to meeting this day with power and effectiveness? Listen up.

**One.** Focus. Make a clear concise commitment to a specific cause or task today and declare it finished.

**Two.** Tenacity. Decide right now you will lean against obstacles or resistance with the steady, persistent strength of bold conviction.

**Three.** Belief. You are uniquely destined to achieve something great in your life. Today is a critical handhold on that destiny. Belief in God, in yourself and in those around you are all essential in today's achievement.

**Four.** Integrity. Approach every decision with an uncompromised commitment to doing the right thing for the right reasons whether anyone is looking, listening or not.

**Five.** Humility. Don't forget where you came from and don't overlook the reality that you, too, are in a process of change and growth. Much wisdom will come from this day if you are eager to learn what you don't know.

**And six.** Service. Notice and act on opportunities to serve others, lift a spirit, lend a hand or build self-confidence.

You will be rewarded only to the degree that you serve.

Have a powerful day!
